ANTIQUÉ AUTOMOBILE CLUB

SOUTHERN CALIFORNIA REGION

Volume 62, Issue 4

OCTOBER, NOVEMBER, DECEMBER 2018

PRESIDENT'S MESSAGE

It is hard to believe that we're in the final quarter of 2018. The SoCal region has had a wonderful year but it is not over. We still have more events to attend. Please try to plan to be with us for the final events. Thanks to Howard Green we have another one of his great, fun Rallies. It will take place in several residential areas around Pasadena.

This year has been extremely busy. We had many entertaining and informative events and tours. I drove my Oldsmobile up to Solvang for the annual Wheels and Windmills show which is always an exciting excursion viewing the changing scenery along the route with the variance in climate.

Thanks to Joel and his hard work, 2019 is about full for events for the club. If you have some friends that enjoy car events, we will be glad to send them a notice of the events and hopefully they will become members. We can always use more members and I have a few free National membership applications.

The yearly banquet is also being planned and if anyone has a suggestion for a speaker, or a subject, please give me a call. I have made several contacts but have not settled on a speaker.

It's that time of the year to send in your membership dues.. We would appreciate the payment before the end of the year as there is paper work we need to furnish National.

I hope to see a big turnout for the remaining events in 2018 and looking forward to another great year 2019.

Bob

The aim of the AACA is the perpetuation of the pioneer days of automobiling by furthering the interest in and preserving of automobiles, and the promotion of sportsmanship and of good fellowship among all AACA members. The AACA uses the term "automobile" in a comprehensive sense to include all self-propelled vehicles intended for passenger use (cars, race vehicles, trucks, fire vehicles, motorcycles, powered bicycles, etc.). Similarly, the term includes various power sources, such as gasoline, diesel steam and electric.

MEMBERSHIP INFORMATION

Our club is a regional club of the Antique Automobile Club of America, Inc. National club membership is required for regional membership. National membership dues are \$40 annually (includes spouse). Regional club dues are \$20 annually (includes spouse). For membership information and application, contact any board member.

BOARD MEETINGS

Dinner board meeting are scheduled for the first Tuesday of each month when necessary and are open to the general membership. Contact Bob Pritchard for schedule confirmation. We appreciate your attendance and welcome your input.

Antique Automobile Club of America Southern California Region

The AACA SoCal is looking forward to seeing our FRIENDS and Clubs that participate with us at events, as our guests, when there is room and indicated on the event. We have also been invited to a number of collections and events (dates to be determined).

50th ANNIVERSARY CELEBRATION

October 13

1:30 pm – 5:30 pm

OLD TOWN MUSIC HALL

140 Richmond Street

El Segundo 90245

Join in the celebration for music, film and fun

AACA SoCal has been invited to showcase our cars to add to the festive mood

It was October, 1968 when Old Town Music hall opened its doors for the very first time. Now we will join in the 50th Anniversary Celebration as we stroll down memory lane with the theater's founder, Bill Field, followed by a surprise guest artist on the Mighty Wurlitzer. The Mighty Wurlitzer is a massive 1925 wind-powered pipe organ that has been meticulously preserved. On stage with the organ console is a spectacular 9-foot concert grand piano. The 92 note Bosendorfer piano was hand made in Vienna for Old Town Music Hall in 1974.

AACA has a limited amount of tickets at no cost available for this entertaining celebration

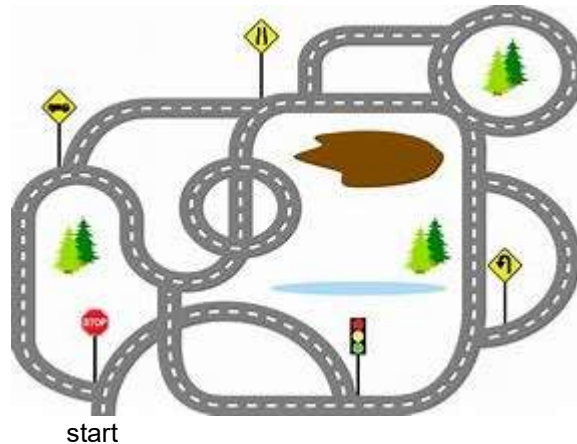

Complimentary refreshments will be served at intermission

AACA SOCAL ROAD RALLY

SUNDAY

NOVEMBER 4, 2018

**MICHILLINDA PARK
3800 MICHILLINDA DRIVE
PASADENA 91107**

**9:30 am – gather for instructions
10:00 am – start time**

Once again Howard and Betty Green have arranged a thought-provoking course for us to follow. A road rally scavenger hunt is a kind of motorized sport that requires the driver and navigator plus any additional passengers to decode clues to reach each checkpoint and arrive at the final secret destination. It is a fun competition of accuracy not speed. But not to worry, there is always an emergency number for those who get lost.

We will all gather at the final destination site for lunch, laughs and prizes.

Michillinda Park is 1 block east of Rosemead Boulevard at the corner of Huntington Drive

RSVP is necessary to insure that every car has written instructions and the restaurant has the correct number of reservations. Contact Joel: 310-471-8503

AACA SOCAL SPECIAL INVITATION

KIP CYPRUS COLLECTION SATURDAY, DECEMBER 1 11:00 am – 1:00 pm

This extensive collection will prove to be a delight for all that attend. Since our last visit, Kip has enlarged his Huntington Beach facility to accommodate the many cars he had in storage. This remodeling has taken over two years with the final placement of automobiles and memorabilia still going on. We will have the opportunity to roam among his many finely restored automobiles which range from the 1930's to the 1970's. In addition to these cars, there is also much automotive related advertising as well as gas pumps and vintage petroliana.

More details with directions will be provided for those on the reservation list.
RSVP Joel:310-471-8503

What surprises will be in store for us this time?

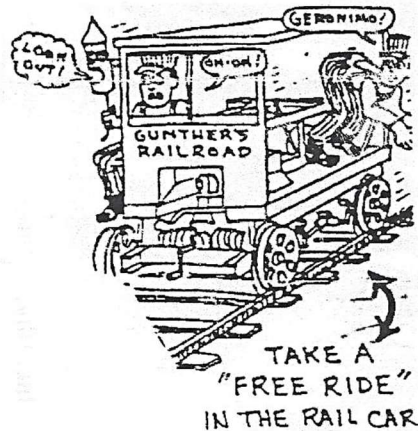

GUNTHER'S YARD SHOW

SUNDAY, DECEMBER 2, 2018

Betty Gunther and family would like to invite you all to their yard in Long Beach. There will be hot dogs, salad and soft drinks for a small charge.

"Come ride on a rail car, sit in the S.P. caboose, kick the tires on an old truck or two, lean on some old tractors and see all kinds of neat rusty stuff."

**AACA SoCal
Has been invited
to join in on the fun**

DIRECTIONS

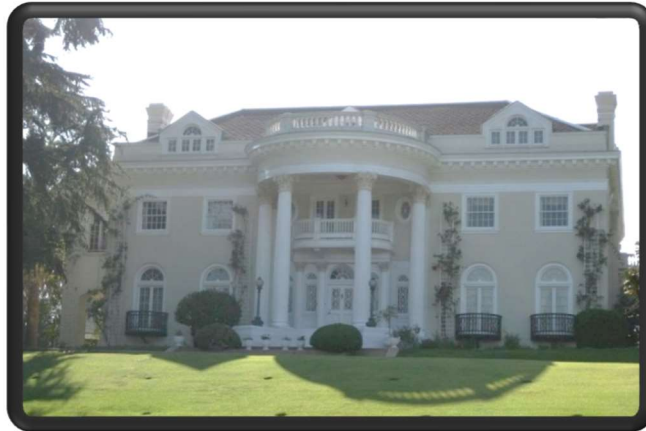

- Take the 91 Riverside Fwy toward Long Beach
- Exit on Cherry Ave (southbound)
- Proceed south 1/2 mile to Curry St (1 block beyond Harding)
- Turn Left on Curry St and continue to the end of the block
- Gunther's Yard is the last lot on the right

HOURS: about 9:00 AM to 2:00 PM

In loving memory of George Gunther (1921-2008)

**AACA SOCAL
A DAY IN HISTORIC PASADENA
SATURDAY -- JANUARY 5, 2019
THE LANGTON ESTATE**

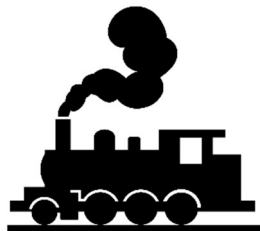

Let's start off 2019 with a bang by pulling up in the driveway of one of the most elegant historic homes in Pasadena.

Bring your collector car and join us for a tour of the beautiful, historic TV and movie home. The Langton Estate, originally built in 1914 and meticulously restored to the grandeur of today.

Drive into the winding driveway for a photo-op. We'll be treated to a tour of the home. Then on to the three thousand square foot third floor where we will see the extensive Langton/Knee model train collection which is considered one of the finest collections in the United States.

Members and guests names are necessary for reservations. This AACA event is limited in number because this is a private home not open to the public. The address, morning arrival and tour time will be provided to those attending.

RSVP Joel: 310-471-8503

LEISURE WORLD CAR SHOW JULY 4, 2018

Phillip Cole and Duane Hinkle participated in the Leisure World Seal Beach annual 4th of July Car Show. This is a very nice show with about sixty cars and the spectators are very appreciative of the old cars. Duane highly recommends this show to any of our members who might enjoy participating in future shows. Congratulations to Duane who won a trophy for best pre-war classic and to Phillip who won for best of the 50's.

MULLIN AUTOMOTIVE MUSEUM

Betty and Howard Green toured the Mullin Automotive Museum in Oxnard with the Mercedes Club. This privately owned museum pays tribute to the art deco and the machine age, eras that produced exquisite art and magnificent automobiles. This museum is home to the finest Historic French automobiles from Bugatti to Voisin as well as significant decorative art from the 1920s and 1930s. Howard commented, "Probably the only collection like it in the world. Plus there is an ample amount of docents to take visitors around the museum and to answer questions".

MALAMUT COLLECTION

Saturday, July 21, 2018

Every minute was filled with awe taking in this eclectic collection. In addition to cars, the Malamut Museum is also home to an extensive collection of roadside memorabilia, vintage radios, jukeboxes, televisions, vintage packaging and furniture, to name a few.

Thanks to our host & hostess for an unforgettable visit

GLENDALE CAR SHOW JULY 21

After everyone left the Malamut Collection, Duane Hinkle in his 1929 Model A and Phillip Cole in his 1952 Studebaker drove to Glendale to participate in the annual Glendale Cruise-in along with about 300 other cars. The drive in the morning from Redondo Beach to the Malamut collection in Thousand Oaks was very beautiful, driving through the canyons of Malibu and then over to the valley. The drive from the Malamut collection to Glendale took them through the Simi Valley, east over the Santa Susanna Pass, and through the San Fernando Valley. It was a challenging drive on a very hot day. Both cars performed well and everyone got home safely without any mechanical trouble.

CADILLAC & LaSALLE CLUB MEET JULY 22

The theme of the day was HOT. Hot cars and hot weather; however, a good time was had by all despite the heat. The Buick and the Oldsobile Clubs were invited to join the Cadillac & LaSalle Club and it added an interesting change to the usual Cadillacs only. It was a real treat to have this event in the front display area of Martin Cadillac in West Los Angeles, which in turn brought in many viewer who were driving by and stopped to visit.

LOS ANGELES COUNTY FIRE MUSEUM

July 28, 2018

Bill Denzel: I was one of the lucky ones who got to take this tour to see the magnificently restored fire equipment and hear about it from the LA County Fire Museum staff and docents. Fortunately, we had a private tour which was just a week after the grand opening of this Bellflower facility when over 5000 people were in attendance. I have visited many fire museums from MYC to LA and this is the finest example bar none. My friend Tim Brockway, great-great grandson of the founder of Crown Manufacturing (initially a wagon builder in the 1800's), was delighted to see the Crown fire engines restored and those waiting to be restored. He appreciated the opportunity to re-visit some of the fire engines he might have worked on as a summer job while going to college.

Fire engines from the 1860's through just retired apparatus are on display. Included in this collection are fire engines pulled to fires by men, six horse drawn steam fire engines, Los Angeles county Fire Department equipment dating back to the 1920's, the “Disneyland” fire engine, Model T fire engines, and 1950's fire engines. The County of Los Angeles Fire Museum is the only place to come and see the world famous Engine and Squad 51 from the hit 1970's television series “Emergency”.

42nd ANNUAL OLD FASHIONED DAY IN THE PARK

July 29, 2018

Classic yachts and vintage automobiles re-created an Old Fashion Day in the Park at Marina del Rey's Burton Chace Park. The day offered a glimpse of the past as guests boarded the vintage yachts dating back to the 1920's as well as viewing a wide array of restored vintage automobiles.

DOWNTOWN BURBANK CAR CLASSIC

August 4

Bob Pritchard: I attended the 7th Annual Burbank Car classic which is a late afternoon show in downtown Burbank along San Fernando Boulevard from the Holiday Inn on Angeleno Avenue to Magnolia. Lots of cars and lots of people from two in the afternoon until nine at night. I parked with members of *The Motion Pictures Car Club* which I recently joined. This is just one of their many events they participate in. I met some nice people with very nice cars and look forward to their next event. I was concerned about the warm weather; however, there were lots of shade trees and a wonderful breeze. Also, there were plenty of restaurants along the route so it was easy to get a respite from the heat and find great food and something cool to drink. It was a long, fun afternoon and evening. Would you believe I had three people come to talk about my car who were from Mississippi? We talked for a long time with no problem understanding what we were saying to each other!

41ST ASSEMBLY DISTRICT BLOCK PARTY

August 4

Assemblyman Chris Holden hosted this year's 19th annual Community Resource Fair and Block Party in Pasadena and as usual, the AACA was invited to provide cars for the show. The day was beautiful and the public enjoyed seeing the variety of cars that participated. There was a free school backpack give-away, hot dogs, and music in addition to arts and crafts booths.

CRUZ'N FOR ROSES

September 16

The 14th annual Cruz'n For Roses Car Show brought our AACA members Jay and Betsy Davenport with their beautiful Cadillac, Bob Pritchard with his glistening Oldsmobile and Duane Hinkle driving his always reliable Model A. There were 400 vehicles of all types in attendance helping to raise money for South Pasadena's tournament of Roses Float (the oldest self-built float in the Rose Parade). The South Pasadena Police and fire Department also held an open house featuring helicopters, police and fire demonstrations, and the ever-popular police canines.

IMPERIAL OWNERS CLUB PICNIC

September 22, 2018

The Imperial Owners Club invited the Cadillac & LaSalle Club and the Lincoln Owners Club to their 14th annual Picnic held at the Laguna Niguel Regional Park. What a delight it was to have the biggest of the “Big Three” in one place. There was lots of socializing as well as kicking of tires. The event was such a success that the Imperial Owners Club will make this a yearly gathering and will invite the Packard owners to join in the festivities next time.

LOS ANGELES COUNTY FAIR

September 5, 2018

Some things can only be seen at the Los Angeles county Fair. This year's fair played homage to route 66, the one preferred way to get from Chicago to Los Angeles in the days before the interstates. Back then, all along the “Mother road” roadside attractions popped up to entertain travelers and entice them to stop and spend time – and maybe money – as they made their way across the country. The first fair was held in October of 1922 in a former beet field in Pomona. Highlights of the first year were harness racing, chariot races and an airplane wing walking exhibition.
