

AACA VISITS JIM DAHL'S AUTOMOBILE COLLECTION

October 25, 2022

CAN IT BE FOUND BEHIND DOOR #1
OR COULD IT BE DOOR #2, #3 OR #4?

This is the dilemma the members of AACA faced when trying to find their favorite car among the vast array of 1950's and 1960's automobiles housed in four buildings in the collection amassed by Jim Dahl.

1929 Model A

1935 Dodge

What better way to advertise your business – definitely catches the consumers' eyes

Club members and guests were kept fascinated by the automotive knowledge imparted by Jim and his good friend Kim Foster. Both men knew the history, mechanical ability and trivia of the cars. We appreciated the time they spent answering all our questions.
