

Gilmore Heritage Auto Show - 2022

Many of our AACA SoCal members participated in the 26th annual Gilmore Heritage Car Show at Farmer's Market. More than 80 cars showed up on a beautiful day for this festive event. This year's theme was a tribute to American Royalty - a salute to Cadillacs, Imperials, Lincolns, Duesenbergs, Packards and other luxury vehicles. We hope to see you there next year.
