

# 18th Annual Rods, Rides & Relics Classic Car Show

## Redondo Beach Pier

A few AACA SoCal members were invited to be part of the 18th Annual Rods, Rides & Relics Classic Car Show on The Redondo Beach Pier. The show was Sunday, October 1<sup>st</sup>. It was a beautiful day with over 120 cars parked, over the ocean, on the pier.

There was quite a mixture of vehicles with a very nice crowd that came out to take it all in. Gabriel was invited to show his 1927 Hot Rod. Also there from the AACA SoCal was Elaine Cook with her 1955 Thunderbird and Rick Miller with his 1929 Whippet Roadster!
